OŚWIADCZENIE

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins or other markings on the paper.

Figure 1 consists of two line graphs. The top graph, labeled 'Total', shows the number of people in the labor force (in thousands) from 1990 to 2000. The y-axis ranges from 0 to 10,000 in increments of 2,000. The x-axis shows years from 1990 to 2000. The line starts at approximately 8,000 in 1990 and rises steadily to about 10,000 in 2000. The bottom graph, labeled 'Active', shows the number of people in the labor force (in thousands) from 1990 to 2000. The y-axis ranges from 0 to 7,000 in increments of 1,000. The x-axis shows years from 1990 to 2000. The line starts at approximately 5,000 in 1990 and rises steadily to about 7,000 in 2000.
